

# SAFETY IS OUR PRIORITY

The DEWALT Rooftop Safety Kits are designed to provide you with a complete personal fall protection system, all in one convenient storage bucket. The kit includes our **D1000** full body harness, a **reusable rooftop anchor** and a **50-foot vertical lifeline** with manual rope grab that allows easy movement around the structure.

The DEWALT Fall Protection Compliance Kits are perfect for a variety of working at heights applications where existing anchor points are already in place. The kit includes our D1000 full body harness and a 6-foot energy absorbing lanyard. Work safely and with confidence!

## FALL PROTECTION COMPLIANCE KIT DXFP110001

The DEWALT Fall Protection Kit provides the worker with a ready system for attaching to an approved anchorage point. It includes our D1000 harness with 5 pts of adjustment and pass-thru leg buckle connections, and a 6 ft energy absorbing lanyard, all to help ensure working safely at height. The kit comes in a convenient container for easy storage.

### BENEFITS AND FEATURES

**DURABILITY:** Heavy Duty Repellent Webbing, resists oil, water, and stains to help ensure ease of maintenance throughout its service life

**LIGHTWEIGHT DESIGN:** Built-in energy absorber reduces weight over external shock pack design

**QUICK HARNESS CONNECTION:** The pass-through connections provide a quick and easy fit when donning the harness

**CONVENIENT STORAGE:** Durable bucket with handle for storing the gear

### SPECIFICATIONS

**LANYARD LENGTH:** 6 Feet - (1.8 M)

**HARNESS MATERIALS:** Polyester Repellent Webbing, Steel

**LANYARD MATERIALS:** Polyester, Steel

**WEIGHT RATING:** Harness and Lanyard rated to 310 lbs. (141 Kg.)

**STANDARDS MET:** ANSI Z359.1, Z359.11  
OSHA 1910.66, 1926.502

**WARRANTY** Limited 2 Year Warranty

PRODUCTS

## GUARANTEED TOUGH®

# STAY PROTECTED

The DEWALT new fall protection line-up is designed to provide you with convenient personal fall protection solutions, whether in kits or individual items. Work safely during roof top applications or select a kit that provides you with the basic compliance in a variety of working at heights situations. Our products are designed and tested to OSHA and ANSI standards to give you confidence that you can safely perform your work.

# WORKING AT HEIGHTS

The DEWALT Rooftop Safety Kits are designed to provide you with a complete personal fall protection system, all in one convenient storage bucket. The kit includes our **D1000** full body harness, a **reusable rooftop anchor** and a **50-foot vertical lifeline** with manual rope grab that allows easy movement around the structure.

## 6 FT. (1.8M.) ENERGY ABSORBING LANYARD DXFP612111

The DEWALT energy absorbing lanyard provides compliance at a great value. It features a one piece lanyard with an internal energy absorber, durable polyester webbing and plated-steel snap-hooks, with 3600 lbs.(1632 kg.) ANSI-approved gates. An excellent choice for a variety of worksites.

### BENEFITS AND FEATURES

**LIGHTWEIGHT DESIGN:** Built-in energy absorber reduces weight over external shock pack design.

**DURABILITY:** Plated steel hardware and Polyester webbing for extended life and durability.

**SAFETY ALERT:** Built indicator provide visual confirmation when a fall has occurred and the harness should be removed from service.

### SPECIFICATIONS

<b>MATERIALS:</b>	Polyester, and Steel
<b>LENGTH:</b>	6 Feet - (1.8 M.)
<b>HOOKS:</b>	ANSI Compliant 3600 lbs. (1632 Kg.)
<b>STANDARDS MET:</b>	ANSI Z359.3 OSHA 1910.66, 1926.502
<b>WARRANTY</b>	Limited 2 Year Warranty

## ROOFTOP SAFETY KIT DXFP110050

The DEWALT Rooftop safety kit offers a complete setup for roofing applications. It includes our D1000 harness with 5 pts of adjustment and pass-thru leg buckle connections, a reusable rooftop anchor with nails and screws for easy installation, and a 50' (15.2 m) lifeline with an integrated energy absorber for full compliance and safety on the job. It all comes in a convenient container for easy storage.

### BENEFITS AND FEATURES

**DURABILITY:** Heavy Duty Repellent Webbing, resists oil, water, and stains to help ensure ease of maintenance throughout its service life

**EASY INSTALLATION:** The coated reusable steel roof anchor with fasteners comes ready to quick install.

**VERSATILITY:** Hinged design allows anchor to adapt to varying roof pitches and comes with both nails and screws for easy installation.

**QUICK HARNESS CONNECTIONS:** The pass-through buckles provide a quick and easy fit when donning the harness.

**EASY OF MOVEMENT:** Vertical Lifeline Assembly with energy absorber, and permanently attached Positioning Device allows for smooth movement on the surface.

### SPECIFICATIONS

<b>ROPE LENGTH:</b>	50-feet (15.2 M )
<b>MATERIALS:</b>	Repellent Polyester webbing, steel, and Poly steel rope
<b>WEIGHT RATING:</b>	Harness and Lanyard rated to 310 lbs. (141 Kg.)
<b>STANDARDS MET:</b>	ANSI Z359.1, Z359.11 OSHA 1910.66, 1926.502
<b>WARRANTY</b>	Limited 2 Year Warranty

## FALL PROTECTION HARNESS DXFP512001

The DEWALT D1000 Full Body Harness provides everything you need to ensure compliance and maximum safety when working at height. It features 5 points of adjustment, pass-through chest and leg attachments, and lanyard keepers. The heavy-duty polyester repellent webbing resists oil, water, and stains to help ensure ease of maintenance throughout its service life.

### BENEFITS AND FEATURES

**DURABILITY:** Heavy Duty Repellent Webbing, resists oil, water, and stains to help ensure ease of maintenance throughout its service life

**CONVENIENT LANYARD STORAGE:** Two lanyard keepers to safely park unused lanyard legs.

**QUICK HARNESS CONNECTION:** The pass-through buckles provide a quick and easy fit when donning the harness

**SAFETY ALERT:** Built indicator provide visual confirmation when a fall has occurred and the harness should be removed from service.

### SPECIFICATIONS

<b>WEBBING:</b>	Repellent Polyester - 5000 lbs.(2267 Kg.) min. static strength
<b>BUCKLES &amp; ADJUSTERS:</b>	Plated alloy steel
<b>WEIGHT RATING:</b>	Harness rated to 310 lbs. (141 Kg.)
<b>STANDARDS MET:</b>	ANSI Z359.11 OSHA 1910.66, 1926.502
<b>WARRANTY</b>	Limited 2 Year Warranty

## VERTICAL LIFELINE ASSEMBLY DXFP210050

The DEWALT 50 ft. (15.2 M.) Vertical Lifeline with Rope Adjustor is designed as a key component for roof-top safety. The rope is water and abrasion resistant for strength and durability, while the built-in rope adjustor provides the versatility of free movement or fixing in place for fall restraint. When used with a DEWALT roof-top anchor and harness it becomes an integral piece in a personal fall arrest system.

### BENEFITS AND FEATURES

**ABRASION RESISTANT:** Poly-Steel rope resists abrasion and water for longer life.

**STRENGTH & DURABILITY:** Alloy steel hardware with zinc plating for high strength and longer life.

**EASE OF MOVEMENT:** Manual positioning device allows for smooth movement around working surfaces.

**BUILT IN SAFETY:** Integral 2 ft. (0.6M.) energy absorbing lanyard for quick arrest in the event of fall.

### SPECIFICATIONS

<b>ROPE LENGTH:</b>	50 Feet - (15.2 M.)
<b>MATERIALS:</b>	Poly-Steel Rope, Alloy Steel, Polyester
<b>WEIGHT CAPACITY RANGE:</b>	130-420 lbs. (58-190 Kg.)
<b>MINIMUM BREAKING STRENGTH:</b>	5000 lbs. (2267 Kg.)
<b>STANDARDS MET:</b>	ANSI Z359.1 OSHA 1910.66, 1926.502
<b>WARRANTY</b>	Limited 2 Year Warranty

## ROOFTOP SAFETY KIT DXFP120050
