

6 Ft. [1.8M.] LANYARD

Internal Energy Absorbing Lanyard

DXFP612111

BENEFITS AND FEATURES

The DEWALT internal energy absorbing lanyard provides everything you need to ensure compliance and maximum safety when working at height. It features a one-piece lanyard with an internal energy absorber, durable polyester webbing, and plated-steel snap-hooks, with 3,600 lbs. (16kN) gated hooks., ANSI-approved gates. An excellent choice for a variety of worksites.

LIGHTWEIGHT DESIGN: Built-in energy absorber reduces weight over external shock pack designs.

DURABILITY: Plated steel hardware and Polyester webbing for extended life and durability.

SAFETY ALERTS: Built in fall indicator lets you know when a fall has occurred, and lanyard should be removed from service.
