

D3000 HARNESS

Crossover, Back and Front D-Rings, QC Chest, TB Legs

DXFP532021(S-M)

Size: S-M

BENEFITS AND FEATURES

The DEWALT D3000 crossover is designed for those users who prefer the fit and comfort of a crossover style harness. The D3000 is available in configurations with and without positioning side D-Rings. It also includes integrated trauma straps, repellent webbing, resettable lanyards keepers, and our quick link adapter for fast personal SRL's connection.

DURABILITY: Polyester webbing with repellent coating resists stains from oil and water.

FALL RELIEF: Attached, integrated suspension trauma straps to assist users in the event of a fall.

CONVENIENT LANYARD STORAGE: resettable lanyard keepers to safely park unused lanyard leg.

VERSATILITY: The quick connect SRL adapter allows for fast installation of your SRL while leaving the D-Ring free for lanyards and rescue device connections.
